

RE-FORMATION

COMMITMENT FOR TRUTH AND UNITY

I acknowledge God's sovereignty and see His plan for this world, the church, and all mankind as holy, righteous, and ultimately based on His unending love of us,

I trust God with my family, friends, and loved ones,

I trust God to use anything in His power to mature me into my destiny,

I trust God to use anything in His power to mature my loved ones into their destiny,

I trust God to use anything in His power to mature the Church into our destiny,

I seek God's strength and guidance as I allow Him to purge me of the ways of this world and deliver me into full unity with Him,

I give myself to God for the purpose of helping bring all of those He has chosen into the unity that we were chosen to exhibit,

I believe that God is using world events to lead His people away from religion, into relationship, and to draw us back into the unity for which we were created,

I ask God to give me the knowledge, wisdom, and strength to do my part in leading the church through this great transition,

I ask God to give me a clear picture of what "His People" will look like during the Millennial Kingdom and help me die to any part of myself that opposes what I am being called to be,

I ask God to show me the truth as to how Satan divided Judaism and Christianity, where each side has been led astray, and where Satan has led both Judaism and Christianity into spiritual relativism where we embrace denominations that fit OUR view on what the bible says,

I commit myself to praying for God to lead me and all of His chosen people into the absolute truths of what He has given us in His Word, and

Regardless as to what happens, how hard things get, or how betrayed I may feel, I will not question God's love, I will not turn away from His love, and I will do everything in my power to help others do the same.

IT TAKES COURAGE TO DO WHAT WE KNOW IS RIGHT
